

Dear Community Support Business,

We are excited to introduce our signature fundraising event; "Paint with Purpose ~ A Big Art Party and Creative Fundraiser for The Life Link".

Our event will be fashioned like a large format art class, "paint and sip" style, where attendees will paint along with a top Santa Fe Artist on an image that they are guided on, step by step. "Paint with Purpose" will be held at The Santa Fe Convention Center on Saturday, January 18th from 5pm-9pm where we will gather 300-350 attendees. We will start with a Silent Auction, then dinner and then folks will break out in a paint session with the artist they chose when buying their ticket. We will then gather again as a large group and close the evening together.

This event will celebrate The Life Link's 33 years of providing essential services and programs to those in our community that need housing support, mental health support, substance abuse support, and human trafficking aftercare.

Would you consider donating an item for the silent auction that evening? The Paint with Purpose silent auction will generate vital operating funds for the organization. All proceeds from the auction will be used to continue providing much needed services for our community.

Your gift is tax deductible and includes several promotional benefits including mentions in our Paint with Purpose Program Book, our interactive auction website and on our online donor recognition listing.

A silent auction form is enclosed. We are asking for a donation value of at least \$100, if possible, but one of any value would be greatly appreciated. Since the event is in mid-January, if donating a gift certificate please have it valid through 7/31/20 or beyond so the purchaser will have full opportunity to use it.

We appreciate your consideration and are free to speak with you to answer any questions you might have or to schedule a pickup of your item.

Sincerely,

Elizabeth Carovillano
